

January 2012

Dear Student and Parents

**PROGRESSION EVENING ~ WEDNESDAY 22 FEBRUARY 2012 – 6.00 TO 8.30 PM**

We would like to invite you to our Progression Evening on 22 February 2012, which is an opportunity for you to consider the options available after Sixth Form College. Representatives from a variety of professions and local employers will be available to talk to you individually and it is a chance for you to find out what different career areas are like. A representative from Connexions will also be available during the evening to answer questions.

In addition to the individual consultations, there will be a selection of presentations concerning higher education and employment. As the capacity for the presentations will be limited, they will be repeated at different times during the evening.

As students generally find speaking to representatives more useful and in order to make good use of the time available, we would encourage parents to attend the presentations whilst students visit the careers fair. Updates and further details will be available on the College website for parents and Moodle for students.

The Progression Evening will start at 6.00 pm and you will be able to see employers and representatives until 8.30 pm. Please note that car parking **will not** be available at the College. Please use parking space nearby (such as Frankwell or Barker Street car parks).

I do hope you will be able to attend this important event and look forward to welcoming you.

Yours faithfully

Tina Rutter  
Director of Student Support
